IMPORTANT NOTICE: KEY UPCOMING EVENTS

2016 SEMINAR SERIES

We are pleased to announce the 2016 TDB National Seminar Series. Join us in this great opportunity to gain insight and knowledge of latest developments, and build valuable industry networks. A key feature of the seminars will be presentations by TRICS Managing Director, Nick Rabbets who is visiting New Zealand and Australia as part of increasing the collaboration between TRICS and TDB. Topics to be covered include:

- Small scale developments ITA guided research
- TRICS: Past, Present and Future
- Our on-line database
- Pass-by and diverted traffic research
- Changes in trip rates over time
- Data collection: joint opportunities and challenges

The full programme will be presented at our main seminar in Wellington, with the first three items covered in Auckland and Christchurch.

Please promote these seminars to your colleagues who may benefit from participating and learning about us. We are opening these seminars beyond our membership, and encouraging potential new members, and CILT and NZPI members to also attend.

Please watch our website: www.tdbonline.org as we release further information on the seminar series.

Please RSVP for catering and communication purposes to admin@tdbonline.org with your name, title, organisation and which seminar(s) you will attend. Please let us know any special dietary requirements.
